

## Supplies:

- 1 box of gallon zip lock bags
- 1 box of facial tissues
- 1 container of Clorox Wipes
- 1 pocket folder (pick something fun they can love to use all year long)
- Labeled change of clothes, including top, bottoms, undies and socks (to keep in school bag in case of accident)
- Updated shot record and Well check stating child is fit to attend daycare **(MUST BE TURNED IN BY FIRST WEEK!!)**

## Daily:

Each student should bring a bag large enough to hold all students belongings, including:

Labeled Change of clothes

Labeled cup / water bottle

Jacket, when weather requires

We ask that students wear comfortable shoes and clothing. Keep in mind when dressing your little one that we are an active facility. Closed toe athletic type shoes are always best. If you send your little one in shirts or dresses, we ask that they wear shorts underneath.

Extended care students should bring a labeled nap mat, blanket and pillow in a large plastic storage or laundry bag. Mats will be stored at TEGA during the week and sent home at the end of the week to be washed.

## Seasons & Holidays:

There will be a few items that we may need during some of the seasons and holidays. We try to keep these to a minimum, but occasionally we will need some extra supplies for special projects and celebrations. Those requests will be in our monthly newsletter and email.
